(Reuters) - Ditching handshakes in favor of more informal fist bumps could help cut down on the spread of bacteria and illnesses, according to a study released on Monday.

Seriously, wash your damn hands

THIS IS DICK

DON'T.
BE.
A.
DICK.

THE BASICS

Hold the door.

Keep your head up.

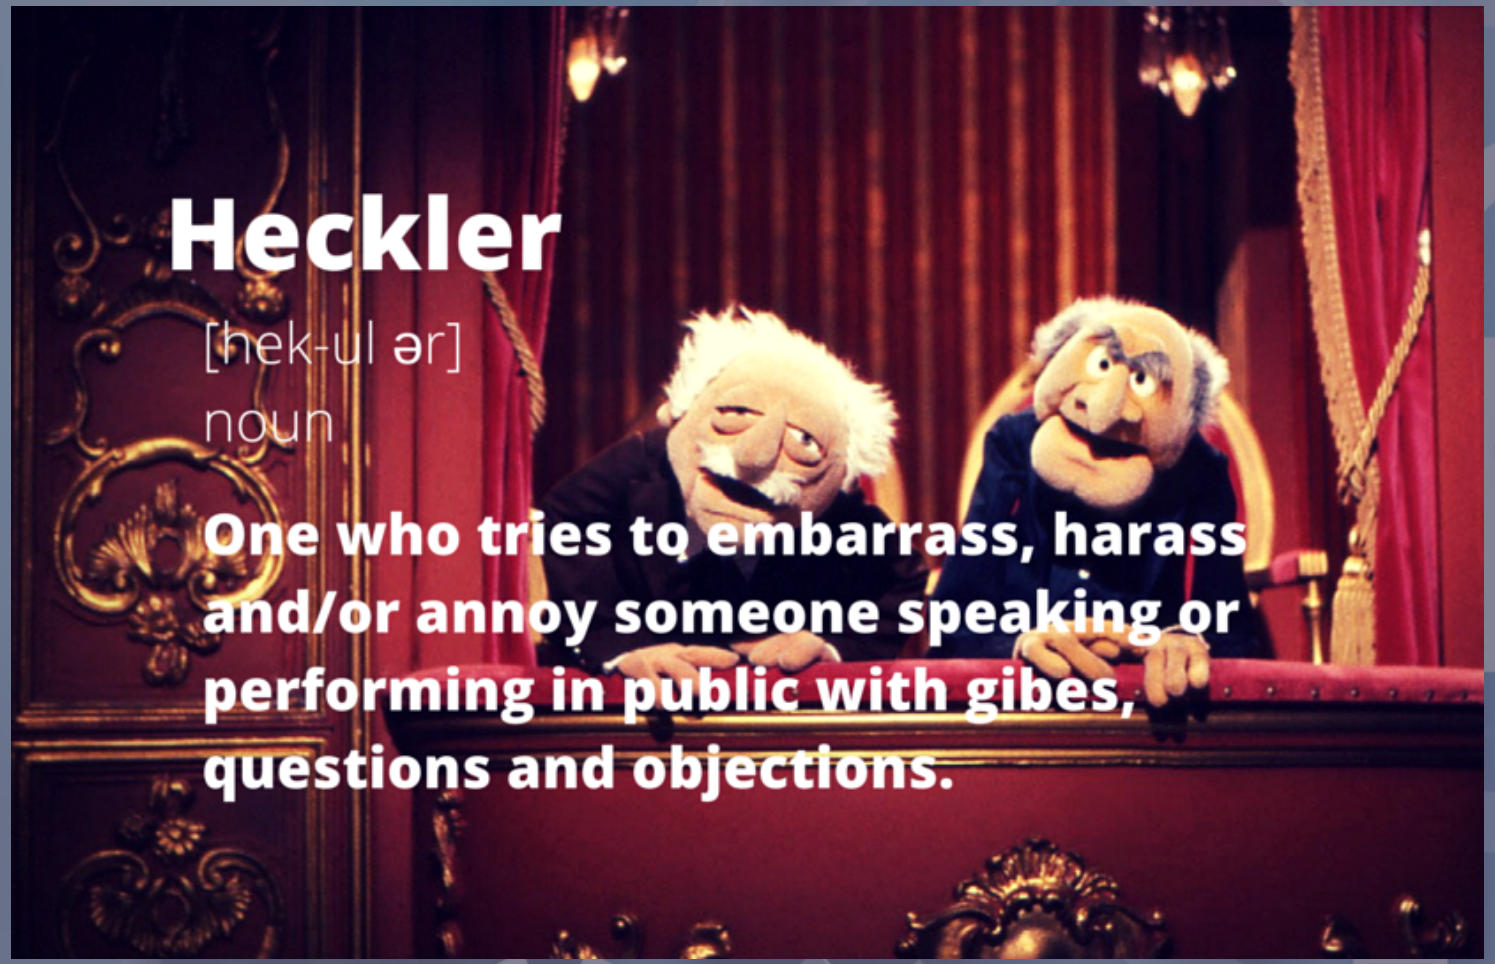
Pay attention.

Don’t block the hallway.

DON’T BA AN ASSHAT

Don’t ruin everyone’s time

DON’T HECKLE



If you don’t agree, talk afterwards.

See the previous slide.

ASK PERMISSION

PHONES AND WIRELESS

Seriously?

This is a hacker convention.

Use your head.

PICTURES

See the previous slide.

Expect to be in a picture or two.

Ask nicely if you don’t want to be in one.

NOT EVERYTHING IS FREE

Just because you see it laying out, does not mean you can take it.

HAVE A PLAN

Read the program.

HACKER TRACKER!

Talks fill up quickly. Consider purchasing the videos from TSOK.

HACKER TRACKER

- The official schedule app for DEF CON 26
- Lots of good info about DC26
- Available on the App Store and Google Play
- You should have downloaded it before now

WORKSHOPS

Workshops are training opportunities – usually hands on.

DEMO LABS, CONTESTS & EVENTS

Too much to list – here are some highlights.

- Lots of tools in Demo Labs.
- Capture the Flag.
- Badgelife Contest.
- Travelcon 4.0.
- Hack the contests - Hacker Convention, remember?

SWAG & VENDORS

DEF CON is unique in that:

Swag is DEF CON branded stuff.

Vendors is a vendor hall. Each vendor has something to contribute to the hacker community.

COURAGE

Anyone worth knowing has imposter syndrome.

-Tarah

Remember, if you are hanging with a group of people and you feel like a fraud because they are all super smart, keep in mind they chose to have you as a friend.

DOUBLE DOG DARE

Reach out.

Put yourself out there.

Find someone with something you share.

TRIPLE DOG DARE

Do something you have never done before.

Try one of the villages.

Go to a party.
