A former New York City investment banker was accused of insider trading Friday for allegedly using brokerage accounts of the mother of his child and his father to reap hundreds of thousand of dollars in illegal profits, federal authorities said.

Frank "Perk" Hixon Jr., a former senior managing director in the mining and metals division of investment bank Evercore Group, allegedly used non-public information he obtained through his job to

Banker Charged With Helping Billionaire Dodge Taxes

By Janet Novack

A federal judge in Southern Florida today unsealed an indictment charging two foreign bankers, one a former private banker for UBS AG , with defrauding the U.S. by helping billionaire Orange County, Calf., real estate developer Igor M. Olenicoff evade U.S. taxes on $200 million hidden in Swiss and Liechtenstein bank accounts.
